I hold a Bachelor of Arts Honours Degree in Vāstuvidyā from the University of Kelaniya. My academic journey encompassed a diverse range of subjects, including traditional architectural principles, interior design, CAD drawings, and astrology. I am passionate about integrating classical knowledge with modern techniques to create sustainable and aesthetically pleasing environments.

## Work Experience

### Internship

Succeed Homes - Kottawa

Aug 2024 - Jan 2025

- Assisted in creating AutoCAD floor plans and home designs for residential projects.
- Collaborated with senior designers to develop 3D visualizations using Revit.
- Participated in site visits to assess project progress and gather information for design improvements.
- Communicated directly with customers to understand their requirements and ensure designs met their expectations.
- Enhanced skills in residential design, customer interaction, and project coordination
